

Community Event Calendar Posting Policy

Purpose

The Community Calendar on the Fayette Visioning website is dedicated to the posting of upcoming community events to promote public awareness and engagement with such events and activities in Fayette County. "Community event" includes charitable, educational, cultural or recreational events taking place in Fayette County which are open to the public, are community oriented, and have potential for broad community interest.

All event postings will be moderated by a Fayette Visioning calendar moderator, who shall review and approve all event submissions for conformance to acceptable event standards. The calendar editor reserves the right to edit event information for length, spelling, language and clarity.

All Fayette Community Calendar submitters shall be clearly identified by their event submissions. Anonymous posting of events is not allowed. All event postings must be accompanied by valid event submitter contact information, including a name, email address and phone number. In order to provide timely notification about your event, requests must be submitted at least 15 days prior to the date of the event. We will do our best to approve events within 48-72 hours of submission to calendar. You are responsible for checking the Community Calendar webpage to ensure your event has been posted and all of the information is accurate. There is no charge for submitting an event to the events calendar.

Event Request Requirements
